Request to Use the Court's Evidence Presentation System

I hereby request the use of the court's evidence presentation system and permission to bring a laptop computer into the courthouse to utilize with the system. I acknowledge that I have read, understand, and agree to follow all of the guidance available to me on the court's website regarding usage of the presentation system and my computer, as well as those items specifically addressed below:

- If necessary, I will schedule an orientation to ensure that I have all equipment necessary and understand how the system operates. I must obtain written authorization from chambers to bring a laptop computer to the scheduled orientation. Orientation provides instruction on use of the court's evidence presentation system and an opportunity for testing my laptop computer connections. Practicing presentations and preparing witnesses are not authorized without court approval.
- The court does not provide any equipment for in-court presentations such as scanned documents, animations, graphics, audio and video files from VHS, CD, DVD, Blu-ray, or external drives like a USB thumb drive. All files must be presented from my laptop computer.
- I am responsible for operating the evidence presentation system, and court employees are not authorized to operate my laptop computer. My staff, litigation support contractors, and I are not authorized to remove, relocate, or reconfigure any of the court's evidence presentation system equipment.
- Wi-Fi or any other wireless access to data, webcams, and any recording capabilities on my laptop computer must be disabled while in the courthouse. Visible evidence, such as red tape, may be placed over the webcam to prevent video recording.
- Internet service is not provided by the court in the courtroom.

I further agree, as directed by the court, to make any approved system available for, and assist with, inspection by court staff.
